

Access to quality care at your fingertips

General Medical

Give your loved ones access to your Teladoc account, even if they're not covered by your health plan. Then set up a 2- or 3-way visit with a doctor.

.....

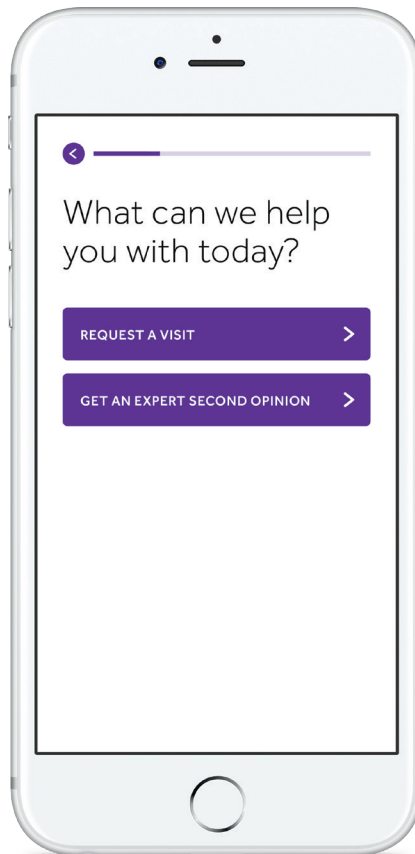

Dermatology

Upload images to your account for evaluation from a licensed dermatologist and receive a treatment plan in 2 business days.

.....

Back Care

Get a program personalized for your back issue and track progress. Follow quick, guided exercise videos from an expert health coach.

Expert Second Opinions

Have your diagnosis and available treatment options reviewed by a carefully-selected expert physician who specializes in your condition.

.....

Behavioral Health

Available 7 days a week to treat stress, anxiety, depression and more.

.....

Nutrition

Registered dietitians can develop a personalized program including a custom meal plan, shopping guide and nutrition manual
